

factory certificate

product: tubular cable-lugs, commercial
surface: tin plated: 3 - 5 µm
art-number: K 335050 – K 348200
norm: similar to DIN 46235
material: Cu-ETP tube acc. to EN 13600
information: also available with inspection hole
RoHS-conform (EU-Direktive 2002/95/EC)

Eisenacher
quality management
